## Birthday Party Frequently Asked Questions

ActivZone Indoor Sports Arena

### Can I bring food and drink?

You certainly can bring any food and (non-alcoholic) drinks you would like to your party! Or if you would prefer, we have catering options available from the ActivZone café menu.

### Can I use the kitchen?

Private birthday parties booked under the 'Skate and Bounce' option will have full access to our kitchen. It has an oven, microwave, hotplates, fridge and freezer for all your party food preparation needs!

If your birthday party is booked during our public skate sessions, use of our kitchen will unfortunately not be included as our staff will be cooking up a storm during our skate sessions.

### How early can I come before my booking?

We know our party hosts are keen to set up the perfect birthday bash – so you're welcome to arrive at ActivZone and begin setting up half an hour before your booking is scheduled to begin. Please let your guests know to arrive just before your booking begins

### Where will my party be?

We have two locations available for your birthday party booking at ActivZone! The first is in our large and wide-open Party Zone alongside the rink, where you can see all your partygoers skating or playing games on the rink. The second is our party room, where your group will have a private room away from the public skate session.

### What extras do you have available for my party?

We've got a load of extra equipment available upon request during our private birthday parties booked under the 'Skate and Bounce' option! There's a basketball hoop, hockey sticks and pucks, balls of all kinds, an agility set and soft play! Unfortunately, this extra equipment cannot be set up for birthday parties during public skate sessions.

### Will we have a coach for our birthday party?

Our staff will absolutely be able to provide skating tips to partygoers at the beginning of your birthday party, but not for the duration of your party at this time.

### Can I set up my own music playlist during my party?

We encourage private birthday parties outside of our public skate sessions to bring along a playlist with all your favorite tunes to play during your party! You can either send us a link to your playlist via email or bring along a phone or tablet to connect with our 3.5mm aux cord (please don't forget to bring any adapter you might need!).
