

## Kauri Kids Howick

Kauri is one of our mightiest trees, yet begins as a tiny seed. At our Kauri Kids centres, we believe that with care and nurturing all children can grow as mighty as the kauri tree.

We are committed to Te Whāriki, the New Zealand early childhood curriculum, and offer a minimum of 20 hours free early childhood education. Our staff of committed early childhood educators work in partnership with you to ensure your tamariki grows, learns, and achieves their unique goals.

## Term recreation programmes

Recreation programmes are run during term-time for preschool, school-age children and adults.

Pop in and play basketball, badminton, table tennis or volleyball during our opening hours! Grab your mates and come on down, just check with us first if the courts are available.

From babies to toddlers to school-age there's varying gymnastics programmes to help improve balance, coordination and confidence. Or if it's sports you're keen on, kids from 3yrs and over can learn the fundamental movement skills to develop in different types of sport.

Whether you want to sharpen your basketball skills with our Basketball Slam Stars for kids aged 11-14, or start from the beginning with our Basketball Hoop Stars for 5-14 year olds, we have it all!

Older kids and adults from 15yrs+ can join our Social Adult Basketball league. Grab your friends, whānau or workmates and build a team! See you here!
